February 19, 2026

Also in Attendance: Daniel Keffer, CJ Scalf and Jaden Long

## **Call to Order Meeting**

At 7:02pm Chris called the meeting to order.

## **Old Business**

The previous meeting minutes were reviewed, a motion was made by Tim and second by Chris, motion carried, and the minutes were approved.

## **New Business**

Greg reviewed the financial statements and balance sheet.

Chipper let us know the new radios are being issued as soon as the inventory labels are in. The cost of purchasing the labels was \$157.94

He stated that he had to order 6 new chargers for the old Kenwood radios. The cost was \$117.63

Sixteen radios were issued from the grant. Eight will be installed in the trucks and 8 will be given out.

Chipper stated that we needed two additional bank vehicle chargers which cost \$367 each. He was going to look at a few other places to see if he could get them at a lower cost.

Seven new Motorola pagers are in and are waiting to be labeled.

Chipper spoke with Daniel and he is sending over the contract to us for grant writing.

Sissonville Fire School registrations are in if anyone is still interested in a class to please let Chipper know.

The discussion of purchasing a new truck needs to be tabled. We collectively want to do what is best for the Cross Lanes community and purchase a truck that the department can afford.

Chris agreed and reviewed the specs of the new Matheny truck. However, after a long discussion we collectively decided to wait. Vickie made the motion; Darrel seconded the motion; the motion carried to not purchase a truck at this time.

Chipper agrees that a committee needs to be put together to review options of potential new trucks. Jaden Long and Chris are interested.

Keffer is going to call the sales representative at Matheny and let him know.

Darrel had nothing new for Redlight to report.

Greg made a motion and Chris seconded that the meeting be adjourned at 8:02p.m. The motion was unanimously approved.
