Meeting of the Tyler Mountain Volunteer Fire Department Board of Directors July 16, 2026

Present: Tim Ickes, Greg Martin, Chris Lacey, Vickie Gill, and Chipper Adkins

Also in Attendance:

Call to Order Meeting

At 7:08pm Chris called the meeting to order.

Old Business

The previous meeting minutes were reviewed, a motion was made by Chipper and second by Greg, and the motion was approved.

New Business

Greg reviewed the financial statements, the balance sheet and the profit and loss statement.

We have received the second quarter disbursement from the state in the amount of \$32,000. Received additional funds of \$6,409 for a grant to fund the gas calibration units. For June, TMVFD has received \$11,685 in dues for a yearly total of \$66,304.

Chipper stated that E232 needs to go to Atlantic. The cab cylinder is leaking and can be redone. The cost is \$3,740.56 and is going to go on Monday. Greg made the motion and Vickie seconded to approve the costs to repair E232. The motion passed unanimously.

The cost is approximately \$5996 for the calibration station for the gas monitors. Chipper thinks that the grant will cover almost all costs, except for an additional fee of around \$91.00 to purchase the gas bottles. Greg made a motion to approve up to \$6600 for the calibration and gas. Chipper seconded the motion and the motion carried.

Chipper has gotten a truck spec sheet for new apparatus. He is in the process of sending a letter with necessary specifications out for bid.

Chipper said that St. Albans may be selling their ladder truck. He is going to talk to them about a deal including our old R234.

One new application has been submitted to the fire department. Chipper however wants to speak to him and his parents before bringing it to the board.

Darrel wasn't at the meeting so there was no Red-Light report.

Vickie made a motion and Chipper seconded that the meeting be adjourned at 7:35p.m. The motion was unanimously approved.

Sommer Straight, Secretary
