Call to Order Meeting

At 7:01pm Vickie called the meeting to order.

Old Business

The previous meeting minutes were reviewed, a motion was made by Chipper and second by Tim, and the motion was approved.

New Business

Greg reviewed the financial statements, the balance sheet and the profit and loss statement.

Through the end of May the fire department has received \$60,428.95 in dues donations and over \$14,000 for the month on June.

The Workers' Compensation bill has been paid.

Accident and Sickness Insurance in the amount of \$1381.00 is due in July.

Building and truck insurance premium for this year is \$15,373.00. This bill has only increased 300.00 since last year.

Greg makes a motion to approve and pay both bills stated above, Chipper seconded and the motion carried.

Greg reviewed the costs vs. rentals on the Community Building, and we still are not even breaking even primarily due to the cost of electricity.

Sherman Saulton passed away on June 12th. Chipper made the community building open to his family for his future Celebration of Life.

The Open House made \$807.00 in hotdog sales and \$3054.00 from the boot drive.

Chipper purchased and installed the two new tool sets onto the trucks.

Jackson Soice came home from camp today where he represented our Tyler Mountain VFD.

Chipper said that a spec list for a new truck has been made and will be made available to anyone that wants to quote the truck.

E231 is still not back from getting worked on.

Chipper stated that the sixth month probationary period is up for Andrew Alford. Sommer makes a motion to approve Andrew as a fire fighter; Vickie seconded the motion and the motion carried.

Darrel said that Red Light has nothing to add other than the Open House totals.

The fire department will have its 75th Birthday in October and will be open to the community.

August 8th at the Poca Hunting and Fishing Club, Chipper is inviting past and present members of the Fire Department to a cookout. The FD will provide Hotdogs, Hamburgers, Chips and Drinks. Participants are asked to bring a side dish.

Chipper made a motion and Vickie seconded that the meeting be adjourned at 8:00p.m. The motion was unanimously approved.
